

# Connective Consulting

## COMPANY OVERVIEW

**Connective Consulting** (acreatives, LLC DBA Connective Consulting) partners with organizations to strengthen leadership, communication, and connection so teams perform at their best. Our people-first approach blends strategy and empathy to help leaders navigate change, engage employees, and build trust that lasts. Clients such as CFSB, Sprocket Inc, and Madisonville Community College Workforce Solutions have partnered with us to strengthen culture and develop emerging leaders. A certified member of the Maxwell Leadership Team, Connective Consulting proudly serves government, business, and nonprofit clients across Kentucky and beyond.

## CORE COMPETENCIES

- **Maxwell DISC Method Debriefs** - Behavioral assessment and coaching that improve communication, collaboration, and leadership effectiveness.
- **Leadership and Organizational Development** - Building engaged, high-performing teams through coaching, culture alignment, and emerging leader development.
- **Communication Consulting and Facilitation** - Strengthening connection, trust, and collaboration through structured dialogue and practical communication strategies.
- **Change Management and Workforce Consulting** - Guiding organizations through change to enhance adaptability, engagement, and retention.
- **Customized Training and Professional Development** - Designing experiential leadership and learning programs that drive measurable results.

## DIFFERENTIATORS

- **Certified Leadership Expertise** - Maxwell Leadership Certified Speaker, Coach, Trainer, and DISC Consultant delivering proven frameworks for communication, performance, and retention.
- **Proven Facilitation Methodology** - Blends behavioral insight and interactive facilitation to foster alignment, collaboration, and meaningful organizational change.
- **People-First, Results-Focused Approach** - Combines empathy and strategy to help leaders build trust, improve retention, and strengthen culture.
- **Cross-Sector Expertise** - Trusted partner to clients across government, financial, healthcare, and community sectors with adaptable, mission-driven solutions.
- **Customized Client Engagements** - Tailors every program to the organization's goals, ensuring measurable outcomes and lasting impact.
